

490.1504 Amended certificate of authority.

1. A foreign corporation authorized to transact business in this state must obtain an amended certificate of authority from the secretary of state if it changes any of the following:

- a. Its corporate name.
- b. The period of its duration.
- c. The state or country of its incorporation.

2. The requirements of [section 490.1503](#) for obtaining an original certificate of authority apply to obtaining an amended certificate under [this section](#).

89 Acts, ch 288, §164

Referred to in [§490.1506](#)
